DESSERT MENU

*A sweet table to close the celebration — bites, bars, and
spoonfuls made in-house.*

EVENT MENU · BY LANDMARK EVENT CO.

A SWEET
FINALE.

The last impression of the night. Our pastry kitchen bakes everything in-house — tender cakes, crisp cookies, delicate pastries, and spoonable little desserts — so you can compose a sweet table, a passed-tray finale, or a late-night treat that feels entirely your own. Most items can be made vegan on request.
